

REMARKS

Applicants have carefully reviewed and considered the Office Action. Claim 1 has been amended for clarity. Support for all amended claim can be found in the specification, and no new matter has been added by these amendments. Currently, claims 1, 2, 5 and 9-10 are pending in the application. Reconsideration and withdrawal of the rejection are respectfully requested in view of the foregoing amendment and following remarks.

Claim Rejections -35 U.S.C. §112

Claims 1-2, 5 and 9-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Applicants have amended claim 1 to more clearly describe the present application in view of the Examiner's remarks without adding any new matter.

Accordingly, Applicants respectfully submit that amended claim 1 complies with §112, 2, such that the rejection is moot. Reconsideration and withdrawal of the rejection are respectfully requested.

Since claim 1 has been amended to overcome the rejection under 35 U.S.C. 112, second paragraph, its dependent claims 2, 5, 9 and 10 are also in condition for allowance.

CONCLUSION

In view of the foregoing, Applicants respectfully request reconsideration and the timely allowance of the pending claims. Should the Examiner feel that there are any issues outstanding after consideration of the response, the Examiner is invited to contact the Applicants' undersigned representative to expedite prosecution.
